Short cv

After completing my studies in **Civil Engineering at the National Technical University of Athens**, I tried out my talent as a **Copywriter in Leo Burnett, Athens**. Since it seemed to be working, I went to the UK to complete an **MA in Communications at the University of Leeds**, and then joined once more the Greek advertising family as a **Senior Copywriter in Geo Young & Rubicam**. Some years later I got a Scholarship from the Greek Scholarships’ Foundation – IKY to follow an **MA in Film & Television Studies at the University of Amsterdam**. Once again back to Greece I worked for **Attica Media Publications as a Creative Manager**, responsible for the advertising campaigns of 20 magazines. At the same time I pursued my career as a **Journalist** and as a **Voice Actress**. I followed several acting seminars over the years, with well-known Greek directors & actors (E. Skoti, A. Manolikakis, D. Imellos, Abovo etc). Since 2006, I have been working as a **free-lance copywriter** for clients such as Citibank, Red Bull, Thrace Group, Audiovisual Enterprises and Galaxy Radio (among many others), while developing a **vast voice-over portfolio and gaining an all-round experience in voice direction and sound production**.
